EXPERIENCE

Sales Associate | Gateway Kia of Warrington
April 2023 - November 2023
(7 months)

- Learned new POS software, and CRM system in 2 weeks and eventually became proficient enough to assist new salespeople in the learning and understanding of both programs.
- Developed excellent communication skills and operated in a team setting, allowing me to increase both leadership and collaborative capabilities.

Apprentice Stonemason | PA Stoneworks LLC
July 2021 to November 2022
(1 year, 5 months)

- Had to be able to change focus quickly and often to adapt to the fast paced and unique environment of each job site.
- After only 6 weeks I was able to independently handle many projects ranging from simple electric work (wiring an outlet) to masonry work (excavating and building a retaining wall).

PROJECTS

Ollie

<https://ollie-05bo.onrender.com/>

- Used Python/Flask to create backend functionality to create, render, update, and delete users, pets, reviews, and bookings, as well as search capabilities.
- Created an AWS bucket to handle the storage and retrieval of images.
- Implemented the Google Maps RESTful API to allow users to “Get Directions” as well as filter results by distance from their current location.

BrewReview (Group)

<https://brewreview.onrender.com/>

- Used Python/Flask to create backend routes returning coffee shops, reviews, and images.
- Used React to create a UI that allowed users to create, update, and delete renders from a PostgreSQL database.
- I served as team leader and was tasked with a majority of the driving as well as assigning tasks to team members.
